Hello Teachers!

Mark your calendars as JN Long Cultural Arts Center is thrilled to announce the forthcoming Youth Art Exhibit, scheduled from February 20th to March 23rd, 2023. This exhibition is an exciting platform for young talents, welcoming participants from first graders to high school seniors.

We are encouraging you to kindly share this information with your teachers and school principals, fostering enthusiasm among your students to participate. This event offers a splendid opportunity for budding artists to showcase their work and witness the creativity of their peers.

The intake period for submissions runs from January 30th to February 10th. There is absolutely no entry fee, and each young artist can submit a maximum of three pieces of artwork in any genre, such as photography, pencil drawings, watercolors, clay art, recycled art, or any medium their imagination leads them to explore. Artwork dimensions should not exceed 36" in any direction, and works should not weigh more than 30 lbs unless they have been pre-approved by the Exhibition Curator Committee. All submitted artwork must adhere to our policies and maintain a family-friendly atmosphere.

We are proud to announce that our exhibitions are open to the public at no cost. The top three winners in each age group (1st-4th, 5th-8th, and 9th-12th) will be determined by a panel of judges carefully selected from esteemed art groups at the JN Long Cultural Arts Center.

Our overarching mission remains centered on enhancing the quality of life in Cleburne and Johnson County by nurturing a vibrant Cultural Arts Community and elevating public appreciation for the arts.

Thank you for your support and participation in this exciting event. We look forward to celebrating the artistic talents of our youth with you.

Sincerely,
